MICHAEL LEVEN - Canary Mission Donor?!

Is that the MICHAEL LEVEN from TPUSA's ADVISORY COUNCIL, who's also a BOARD DIRECTOR of the JEWISH FEDERATIONS OF LAS VEGAS (JFNA/UJA/MOSSAD)?

Gosh, that'd be a REAL FUCKING SHAME.

Especially since we already know our good buddy ADAM MILSTEIN (a convicted felon) funds CHABAD/UNIT 8200/MOSSAD-TIED ANTI-WHITE, ANTI-AMERICAN GROUPS that SPY ON, TARGET, DOXX and RUIN LIVELIHOODS of NON-JEW AMERICANS, like CANARY MISSION, SHIRION COLLECTIVE, IAC, JEWISH POLICY CENTER, ICC and STOPANTISEMITISM. He also funds as well as FRIENDS OF THE IDF, PRAGERU & THE HERITAGE FOUNDATION.

*Canary Mission - Daniel Linden, a criminal tied to kids, weapons and drug trafficking in Medellin, Colombia, Colorado and Gainesville, FL, where he has a residences.

*StopAntisemitism - Liora Reznichenko, a Soviet/USSR transplant Jew married to Sandi Elhibir from Pratt & Whitney, a Jew who is wrapped in scandal regarding the deliberate sabotage of inspections/intel/maintenance of our F-35 and F-22 5th Gen fighters.

*Jewish Policy Center (Dennis Prager, Fellow) - Openly advocates for murdering Christians in Gaza City, should any refuse to arbitrarily abandon their homes if/when the IDF decides to (once again) bomb civilian populations in its "war on HaMaS".

*The Heritage Foundation - This shithole is basically just a front for a massive money laundering operation established to finance Jew supremacist AMWAY/NATO paramilitary forces, including Blackwater, GHF/CIA, Mossad/Shin Bet/Unit 8200 and Palantir. THF is Chaired by Barb Van Andel-Gaby, Director of Amway (DeVos/Van Andel) PARENT COMPANY, ALTICOR, with heavy influence from John Barsa (USAID/Flynn Ntwk), NATO, CIA, a fuck ton of 9/11 co-conspirators and dozens of Ukrainian/Israeli Jew criminals engaged in kids/drugs/weapons trafficking rackets.

*IAC - IAC was co-founded by Adam Milstein and the Israeli Consul General. I shit you not. Unit 8200 officer and PragerU CEO, Marissa Streit, was IAC Director of Operations before focusing full-time on PragerU.

*ICC - The Israel On-Campus Coalition (ICC) is literally run by Mossad, IDF, ZOA and LIKUD/BETAR assets and focuses on spying on AMERICAN NON-JEW COLLEGE STUDENTS and DESTROYING THEIR LIVES IF THEY HAVE THE WRONG OPINIONS ABOUT ISRAEL. It colludes DIRECTLY with MOSSAD and SHARES GATHERED INTEL with the ISRAELI MINISTRY OF STRATEGIC AFFAIRS. ICC is CHAIRED by Dorothy Tananbaum (UJA/Mossad

exec), its CEO is AIPAC (Mossad) alum Jacob Baime and Sloan Rachmuth (ZOA/Likud/Betar), a Jew fucking lunatic and criminal terrorist, could be the motherfucking MASCOT of ICC.

🚨SIDE BAR: Sloan Rachmuth was involved in the Boston Marathon bombing, the 2024 “on-campus protests/espionage” scandal, the Hurricane Helene disaster relief sabotage operation and has recently been arrested for cyberstalking. Sloan serves as one of DataRepublican’s de facto handlers, alongside Laura Loomer, and she just deleted ALMOST ALL OF HER POSTS SHE MADE about how much she HATES CHARLIE KIRK and his messaging and support of TUCKER CARLSON & CANDACE OWENS, in the lead up to CHARLIE KIRK’S MURDER. Her ENTIRE FUCKING PERSONA is being a SOVIET/BOLSHEVIK CUNT who RUINS AMERICANS’ LIVES if they don’t suck Israel’s dick 24/7.

Sloan’s husband builds “MIT BRAIN CHIPS” and works at IQVIA for 9/11 co-conspirator, Ari Bousbib. Sloan’s sister-in-law is Chair of ELEM ISRAEL and an ELECTION FRAUDSTER in the Palm Beach County arm of LEAGUE OF WOMEN VOTERS, and her husband is running for PBC PUBLIC DEFENDER too.

🚨FUN FACT: BETAR (LIKUD) is currently led by a ZOA COALITION lunatic and literal KAHANE CHAI (JEWISH DEFENSE LEAGUE) TERRORIST, RONN TOROSSIAN, who openly advocates for NETANYAHU to BOMB THE REMAINING CHRISTIAN CHURCHES/HOSPITALS in GAZA/WEST BANK. He’s also engaged in TAX EVASION & MORTGAGE FRAUD in his PROPERTY in NEW YORK, which he recently purchased for nearly $17 MILLION, while his PROPERTY TAX ASSESSORS marks the “PROPERTY VALUE” at $3 MILLION. Lmao.

The New York Times

A Mysterious Group Says Its Mission Is to Expose Antisemitic Students

Civil rights advocates say Canary Mission is doxxing critics of Israel and providing a possible road map for immigration agents as they sweep up students in a campus crackdown.

News organizations have cited tax records showing contributions to the group from various Jewish foundations, and in 2021, Jewish Currents reported a $50,000 contribution from Michael Leven, a Jewish philanthropist who is the former chief operating officer of the Las Vegas Sands Corp., the luxury hotel and resort operator.

Mr. Leven told Jewish Currents at the time that he hoped to help "identify significant antisemites" and "bring the knowledge of their antisemitism to the surface." While he paused his contributions at some point, he said in an email on Tuesday that his donations had resumed.

Philanthropist Michael Leven Donated to Canary Mission Blacklist

The revelation makes him the third major American Jewish funder associated with the project.

Megamot Shalom. Adding an additional layer of obfuscation, the known donations to Canary Mission through Megamot Shalom, including Leven's, were first sent to the Central Fund of Israel, a New York-based nonprofit that serves as a pass-through for donations to organizations serving Israeli settlements in the West Bank and other right-wing Israel advocacy organizations.

Advisory Council Member

As the founder and managing partner of Blumberg Capital, I have decades of experience in early stage investing. I founded Blumberg Capital in the early 1990s and launched our first venture-backed fund in 2001. I'm dedicated to recognizing the industries of the future and supporting entrepreneurs building innovative companies on a global scale.

Prior to Blumberg Capital, I managed international investments with the Bronfman Family Office, Adler & Co, APAX Partners and at T. Rowe Price. I'm also proud to have launched business development for Check Point Software Technologies as one of its top four executives.

Mr. Blumberg serves on the boards of many inspiring businesses including Apester, Credorax, DoubleVerify, EarnUp, EasyKnock, IntSights, Jassby, Lendio, SigOpt, SupplyPike, Roam, Trulioo and Wunder.

His past investment exits include Nutanix, CaseStack, Cyvera, Siperian, Check Point Software Technologies, Teva, CREO, DSP Group, Electronics For Imaging, AbirNet, Conduct Software, Vista Research, and IP Infusion among others.

Mr. Blumberg earned his A.B. in Government, cum laude, from Harvard College and an MBA from the Stanford Graduate School of Business and INSEAD. Mr. Blumberg also speaks French and is proficient in Hebrew and Spanish.
